Dear Mr. Lucas:

This responds to your letter dated November 22, 1991, which accompanied a copy of the "Revised Sampling and Analysis Plan Macroinvertebrate Study and Fish Sampling," October 1991, for the **Olin Corporation, McIntosh Plant Site**. I have forwarded the plan to the U.S. Fish and Wildlife Service field office in Daphne, Alabama for review and possible comment.

Thank you for keeping us up to date on activities regarding this site.

Sincerely,

James H. Lee
Regional Environmental Officer
